The following steps are to be followed when registering 6-10 players for the same team in grades 9 - 12:

1. Coach must complete the attached team approval form (back) and return it with each player's registration form and payment. Please make sure all forms are filled out, front and back, completely and accurately. If additional players request to be on your team, but were not included in the original team approval form, they may be added to your team upon availability. Listing a player **does not** guarantee they will be on your team and a spot will **NOT** be held. Additional players may be added to your roster.
2. Register as soon as possible to insure availability.
3. **Players should play in the grade they are currently in.**
4. Our goal is to provide all players with a fair level of competition.
5. All players are required to follow the Sportsmanship Policy that is attached to your team roster.
6. Thank you for your honesty and support!
